**TITLE:** 2019 & 2020 Targeted Airshed Grant Program  
**ACTION:** Request for Applications (RFA) Amendment No. 1  
**RFA NO:** EPA-OAR-OAQPS-20-01  
**CFDA:** 66.956  
**DATE:** February 14, 2020

**SUMMARY:** This Notice makes amendments to the above referenced funding opportunity. On December 20, 2019, the Further Consolidated Appropriations Act, 2020 (Public Law 116-94) was signed into law. The Act provides an additional \$56,312,000 for the targeted airshed program and limits the funds in the same manner as the 2019 Consolidated Appropriations Act (PL 116-6) – to nonattainment areas that the Agency determined are ranked as the top five most polluted areas relative to ozone and the annual and 24-hour PM<sub>2.5</sub> standards. Therefore, EPA is amending this RFA to include the FY 2020 funding from PL 116-94 and extending the application due date from March 10, 2020, to March 27, 2020. EPA is making the following edits to this RFA:
