

# The Cherry Creek Clean up!

**Who:** Anyone who wants to help beautify Denver! Also, an extra call out for any anglers with or without waders who can wade the actual creek for trash clean up!

**When:** February 29, 2020 from 10am-2pm

**Where:** Cherry Creek from Denver Country Club to Confluence Park

**Why:** The Cherry Creek is the last stop before the Platte River. Help keep the Platte clean by picking up trash *before* it hits the river.

## See link below for Sign up!

Gloves, bags, trash picker uppers, and waders(limited quantity) will be provided pre-event with registration. Please contact Mike Faeder at [faeder151@gmail.com](mailto:faeder151@gmail.com) for any further questions.
