Re: In the Matter of Kamehameha Schools
EPA Docket No.: UIC-09-2018-0008
Approval of Big Island Inspection Completion Schedule

Dear Mr. Alapaki Nahale-a:

Pursuant to paragraphs 46.a.iv and 46.c.iv of the above referenced Consent Agreement and Final Order ("CA/FO"), Kamehameha Schools ("KS") submitted its list of Target and Non-Target Properties for the Island of Hawaiʻi ("Big Island") to the U.S. Environmental Protection Agency, Region 9 ("EPA") on March 27, 2019. Since the number of Target Properties on the Big Island exceeds 60 properties, KS has also submitted a proposed Inspection Completion Schedule for EPA's approval, pursuant to paragraph 46.c.i.v.B of the above referenced CA/FO. KS has identified 500 Target Properties on the Big Island and has proposed to complete inspections of all 500 properties within 615 days of submission of the Target and Non-Target Properties list.

Based on the information presented in the proposed project schedule, including the number of Target properties to be inspected and concerns regarding the remoteness of sites, distance between sites, and travel logistics involved with the inspection of each site, EPA hereby approves Kamehameha Schools proposed Big Island Inspection Completion date of **December 01, 2020**.

If you have any questions regarding this approval letter, please feel free to contact Mr. Jelani Shareem of my staff at (415) 972-3095 or via e-mail at shareem.jelani@epa.gov. Legal questions should be addressed to Ms. Kimberly Wells at (415) 972-3056 or wells.kimberly@epa.gov.
