

LIST OF WATER REUSE PROJECTS THAT RECEIVED WATER INFRASTRUCTURE FINANCE AND INNOVATION ACT (WIFIA) FUNDING

DESCRIPTION: Compilation of WIFIA funding awards for water reuse that summarizes the number and dollar value of funded reuse projects

CREATORS: The Environmental Protection Agency, Office of Water

WRAP ACTION AND MILESTONE: WRAP Action 6.2B: Continue to Actively Support and Communicate the Eligibility of Water Infrastructure Finance and Innovation Act Funding for Water Reuse, Milestone 1

PUBLICATION DATE: March 2020

Fiscal Year	Borrower	Project Name	Project Description	Requested Financing	Application Status
2018	City of Los Angeles Bureau of Sanitation	Donald C. Tillman Advanced Water Purification Facility	Groundwater replenishment	\$ 314,008,404	Applied
2017	City of San Diego	Pure Water San Diego	New water recycling facility	\$ 614,000,000	Closed
2017	Orange County Water District	OCWD Groundwater Replenishment	Upgrade to water recycling facility	\$ 135,000,000	Closed
2019	City of Oceanside	Pure Water Oceanside and Lower Recycled Water Distribution System Expansion Project	Groundwater replenishment	\$ 69,100,000	Closed
2019	City of Oceanside - Buccaneer	Buccaneer Sewer Lift Station and Force Main Project	New wastewater infrastructure to improve treatment	\$ 42,686,100	Applied
2019	City of Roseville	Roseville's Water Future Initiative	Water recovery and filtration project	\$ 33,645,850	Applied
2019	East County Advanced Water Purification Joint Powers Authority	East County Advanced Water Purification Project	Wastewater treatment and reuse project	\$ 311,000,000	Applied
2019	Monterey One Water	Pure Water Monterey Groundwater Replenishment Project (PWM)	Water reuse project	\$ 39,694,289	Invited
2019	Soquel Creek Water District	Pure Water Soquel	Groundwater replenishment	\$ 88,900,000	Closed
2017	City of Morro Bay	Water Reclamation Project (Wastewater)	New wastewater and water recycling plant	\$ 25,183,811	Closed
2017	City of Morro Bay	Water Reclamation Project (Drinking Water)	New wastewater and water recycling plant	\$ 36,516,526	Closed
2019	Hampton Roads Sanitation District	SWIFT (Sustainable Water Initiative for Tomorrow) Tranche 1	Groundwater replenishment	\$ 225,865,648	Closed
2019	Hampton Roads Sanitation District	SWIFT (Sustainable Water Initiative for Tomorrow) Tranche 2	Groundwater replenishment	\$222,957,672	Invited
2019	Hampton Roads Sanitation District	SWIFT (Sustainable Water Initiative for Tomorrow) Tranche 3	Groundwater replenishment	\$222,957,673	Invited
2020	City of San Diego	Pure Water San Diego Program Phase 1: North City Project	New water recycling facility	\$ 73,500,000	Applied
2020	Sarasota County Government	Bee Ridge Water Reclamation Facility Expansion and Advanced Wastewater Treatment Conversion Project	Upgrade to water recycling facility	\$ 132,357,785	Invited
2020	City of San Buenaventura	VenturaWaterPure	New water recycling facility	\$ 125,409,838	Invited
2020	City of Oxnard	Aquifer Storage Recovery Project	Upgrade to water recycling facility	\$ 28,980,000	Invited
