Title of the Meeting: Options Selection on Proposed 2018 Volume Standards for the Renewable Fuel Standard Program

Purpose: To present a set of options regarding the proposed rule that would establish the 2018 annual RFS volume standards.

Role of the Administrator: OAR staff will present to the Administrator options on rule development and seek input to inform next steps on the 2018 volume rule.

Background: Under the Clean Air Act, EPA must propose and finalize the applicable standards under the Renewable Fuel Standard (RFS) program every year by November 30 of the previous year. The standards must account for both Congressional intent and other factors that may influence the annual volumes. The goal is to propose the volume rule for 2018 by late May 2017.

Is the meeting urgent and if so, why?: Yes. Development of the standards are guided by law and as it is necessary to issue the proposed standards under a compressed timeframe and decisions are critical to allow sufficient time for interagency review to occur and signature of the proposal be completed by May 31. Submission of the package to OMB is scheduled for late April 2017.

**Time** 3:50 PM – 4:20 PM  
**Subject** Meeting with National Alliance of Forest Owners  
**Location** Alm Room  
**Show Time As** Busy  
Today's Date: April 3, 2017  
Meeting Date: April 5, 2017  
Meeting Time: 3:50 pm

Requested Location (if offsite, please list address, parking instructions, etc.): EPA, Administrator's Office

Requestor: The National Alliance of Forest Owners is an advocacy association of 48 companies and 29 forestry associations representing over 80 million acres of private forestland throughout the country. Nationwide, private forests constitute 70% of the nation's forests and support 2.4 million jobs and \$99 billion in annual payroll.

Purpose of the Meeting: To introduce the National Alliance of Forest Owners to the Administrator and discuss how forest owners and EPA can work together on water and air policies that will support jobs in the forestry sector and the rural economy overall.

Background on the Meeting: NAFO has two significant policy matters pending before EPA:

#### 1. Regulation of Biomass Carbon Emissions

- \* Forest biomass is a plentiful renewable energy resource that is typically the product of forest management or mill operations.
- \* Producing energy from this low value product provides mills with an efficient power supply, supports jobs in rural communities and provides a better economic return for forest owners, many of whom continue to struggle to find markets for their wood following the Great Recession.
- \* For many years, EPA policy treated biomass as carbon neutral, in line with the rest of the world, meaning that any carbon emitted from combustion of biomass is recaptured by growing forests as part of the natural carbon cycle.
- \* In 2010, without public notice or scientific basis, EPA's "Tailoring Rule" reversed that policy and regulated greenhouse gas emissions from biomass without regard for the natural carbon cycle.
- \* Since 2010 EPA has repeatedly committed to revise and clarify its biomass policy but failed to do so. The resulting uncertainty has stalled investment in biomass energy at mills and stand-alone facilities.

We are seeking to work with EPA to remove uncertainty about biomass in EPA policy through amendments to the Tailoring Rule that are pending at OMB. Clarity on biomass will correct EPA's policy on biomass, restore the natural forest carbon cycle as the underpinning for biomass energy policy, and support job-sustaining investment.

#### 2. Waters of the US (WOTUS) Regulations

- \* Forest management activities are generally consider nonpoint sources except for stormwater control ditches and herbicide applications.
- \* Courts have required NPDES permits for herbicide applications in forests, but EPA has elected not to regulate ditches as point sources.
- \* However, the expansion of WOTUS under the new definition will create confusion about where else the permits are required and what additional requirements are imposed if the ditches are now WOTUS.
- \* Features that EPA declared to be WOTUS in the revised definition that are of concern to NAFO members include ephemeral and intermittent streams, ditches, and isolated wetlands.

Role of the Administrator: To provide insight on the issues listed above.

Title of the Meeting: Meet and Greet of State Commissioners on EPA Lean Action Board

Purpose: Introduce the state members of Lean Action Board (LAB), a group of senior EPA and state officials working collaboratively to eliminate waste and increase productivity in our environmental programs, to the Administrator. The LAB consists of 7 EPA SES members and the directors of two state (AZ, KS) environmental agencies. State LAB members will provide an overview of Lean activities and results at EPA and with its state partners, and describe how Lean is making a difference in how EPA manages our people and programs.

Role of the Administrator: This would be a quick meet and greet before or at the end of his stay at ECOS. It would not require a room and could be done in a discrete location of the lobby.

Background: Commissioned in 2015, the LAB brings together EPA and state environmental leaders to advance the practice of Lean and to foster a continuous improvement culture within EPA and states. During 2016 the LAB focused on identifying Lean projects with transferable solutions and is working with EPA and state partners to share successful results with other states and regions with similar processes in need of improvement.

Last possible date for the meeting: The state members of the LAB would appreciate the opportunity to meet with the Administrator at the Mayflower before or after his Keynote at the ECOS on April 7, 2017. The state members are Misael Cabrera (AZ) and John Mitchell (KS), who both are attending the ECOS meeting.

Is the meeting urgent and if so why?: Yes in that they are not in town often.

Requested Time Length: 10 minutes

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics.Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of her performance of the event and does not involve a gift to her or to the agency. While free

attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Hi Sydney,

There are no ethics concerns with respect to this event. It may be

important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Board Meeting Request

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

#### White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

#### Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: Washington Nationals Dinner Party on May 1

Hi Sydney,

OGC/Ethics advises that the Administrator may accept the gift of hospitality pursuant to the WAG rule. He may also bring a guest with him; if so, please confirm the name of the second guest with me and the organizer of the event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Gifts of Free Attendance (WAG Rule)

The gift offered is a dinner party celebrating the opening of the Washington Nationals baseball season. It is hosted by the owners of the Washington Nationals, the Lerner family; and Washington Post columnist, George Will and his wife. Generally, federal employees are

prohibited from accepting gifts given because of their official position or given by a prohibited source. In this instance, this is a gift offered because of the employee's official position. There are exceptions to this rule to allow employees to accept some gifts. For these circumstances, the WAG rule is available because the reception will be widely attended, there will be a diversity of views represented, and an opportunity for the exchange of ideas. Finally, in order to utilize this gift exception, OGC/Ethics must also make a determination that it's in the Agency's interest for him to attend. We do, in fact, conclude that there is an Agency interest should he choose to attend the event because the Agency has multiple ongoing efforts to green sports stadiums.

**Financial Disclosure Implications**

Even though the Administrator may bring a guest with him, thus doubling the value the gift, the total value of the gift is valued below the reporting threshold of \$375. Therefore, there is no obligation to report this on the annual public financial disclosure report due May 15, 2018 (the next time he files the report).

If you have any questions or concerns, please feel free to contact me.

 Subject: RE: Cement Association MAY Meeting/Keynote Request

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering her a tangible gift to take home with her.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Evening Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Invitation to Administrator Pruitt for NACD Board Meeting

Hi Millan, Did the Administrator attend this event on Monday? I realized I hadn't answered this one. If so, it's okay! Here's the ethics advice to go along with this event. Jennie for OGC/Ethics

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a

lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

#### White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

#### Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Speaking Request Form

Hi Sydney, I can't find a record of this particular event either, so here's the advice!

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

#### White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

#### Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of her performance of the event and does not involve a gift to her or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: Re: Administrator Pruitt's Participation in CNP

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

 Subject: RE: Speaker Request - Large Public Power Council

Hi Sydney,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. Please follow up if the Administrator schedules for a time slot where a meal is offered.

Best, Jennie for OGC/Ethics

Meeting:

- The meeting is slotted from 5pm-6pm.
- The first 5pm minutes McKinley will give a brief Caucus update

- Then he will introduce the Administrator
- 30 minutes: Administrator to talk about whatever he sees fit
- 15-20 minutes: a question and answer with the members.

Hi there,

There are no ethics concerns with respect to this event. It may be important to know that the organization extending the offer is a lobbying organization. The White House Ethics Pledge prohibits acceptance of gifts from lobbyists, but as there is no gift offered, the Ethics Pledge is not implicated. This information is provided solely for your consideration. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are registered lobbyists or lobbying organizations, therefore if the official speaks, he must be careful about the organization offering him a tangible gift to take home with him.

Acceptance of Free Attendance (including meals)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does

not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

#### Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

Subject: RE: Bciu event

Hi Sydney,

There are no ethics concerns with respect to this event. See the following for more complete details.

Best, Jennie for OGC/Ethics

White House Ethics Pledge

The White House Ethics Pledge does not allow political appointees to accept gifts from registered lobbyists. The persons extending the invitation are not registered lobbyists or lobbying organizations, therefore the Ethics Pledge is not implicated.

Acceptance of Free Attendance (including a meal)

Because the official has been invited to speak and present information on behalf of the agency, pursuant to 5 CFR 2635.204(g)(1), acceptance of free attendance and any meals provided on the day of the event is not considered a gift. The official's participation in the event is viewed as a customary and necessary part of his performance of the event

and does not involve a gift to him or to the agency. While free attendance will cover a meal that is provided to all attendees, it does not cover side events, receptions, and other meals (like a speaker's dinner) that are not open to all attendees.

Financial Disclosure Implications

Because this is not a gift, there are no financial disclosure reporting obligations.

▲ **Time** 10:00 AM – 11:30 AM  
**Subject** Tour and Meeting with Ardagh  
**Location** Sapulpa, OK  
**Show Time As** Busy  
Topic: "In 2014, Ardagh purchased Saint-Gobain Containers. Prior to that purchase, in 2010, Saint-Gobain entered into a Global Consent Decree with EPA to decrease emissions from their 29 furnaces. EPA and Saint-Gobain agreed to a long term schedule for emission controls at each of their plants. Saint-Gobain was the only glass container manufacturer to sign such an agreement with EPA. Ardagh has invested \$95M in capital to install emissions controls and equipment under the Global Consent Decree. Since 2010, NOx and SOx and particulate matter emissions have been reduced significantly in the plants. The last major projects under the Global Consent Decree are

scheduled for 2018. Sapulpa is one and Lincoln, Illinois is the other. Lincoln is unusual because it has only one furnace compared to the more typical 2 – 3 furnace operations (Sapulpa has 3 furnaces). Installation of the required emissions control equipment in Lincoln would essentially make that plant not commercially viable. Moreover, Mexican and Chinese manufacturers ability to undercut the market, due to the fact they don't pay good wages to their employees, they don't have the environmental and business compliance costs we do, nor do they deal with spiraling healthcare costs, has led to a decline in North American glass container manufacturing. Ardagh has had to shut down one plant in Salem, New Jersey in 2014 and has idled a furnace in 2017 at its Wilson, North Carolina plant. We are looking for ways to keep Lincoln open. Ardagh has ambitious plans to invest in its US manufacturing network—and Sapulpa in particular—to compete successfully against growing foreign competition. Ardagh would like to discuss ways in which it can meet its environmental compliance obligations while retaining the operational flexibility to compete in this market.”

Sydney,  
Is the Administrator available to come over to OCSPP for about 15 min on June 29th, ideally between 11-12 to say a few words to staff regarding our TSCA progress and one year implementation? Hopefully all our rules will be out June 22 and there is a staff event on the 29th. If he could stop by that would be ideal. Ryan was supportive of the idea and I could prepare some talking points. It would go a long way to lifting moral and to help me keep everyone motivated over the summer to continue doing the work.

Thanks!  
Nancy
