

# 2020 State Summit on Water Reuse

This virtual event will take place as a series of interactive discussions held on each Thursday in September and will be in conjunction with the WaterReuse Association's 35<sup>th</sup> Annual Symposium. The primary goal of the State Summit on Water Reuse is to provide a place for state regulators to share and learn about a range of water reuse issues. The Summit will feature perspectives from many states and provide an opportunity for participants to share their thoughts and key questions with colleagues from around the country.

Summit Day 1 – September 3 <sup>rd</sup>	
Time	Session/Topic
1:00 p.m. – 1:15 p.m.	<b>Welcome &amp; Introduction</b>
1:15 p.m. – 1:50 p.m.	<b>Full Group: Reuse Terminology &amp; Developments in Reuse Across the States</b> <i>ACWA &amp; ASDWA will share insights from a recent survey on terminology and developments in reuse overall. There will be some time for Q&amp;A and participant contributions.</i>
1:50 p.m. – 2:00 p.m.	Break/Transition to Breakout Sessions
2:00 p.m. – 3:00 p.m.	<b>Breakout A: Federally Unregulated Contaminants in the Reuse Context</b> <b>Breakout B: Effective Training for State Staff and Facility Operators</b> <i>During the breakouts, several state representatives will share perspectives related to the breakout topic to start discussion. There will be some Q&amp;A time and an opportunity for interactive audience input on current challenges/needs and best practices/current initiatives related to the topic.</i>
3:00 p.m. – 3:15 p.m.	Break/Transition to Full Group Report Out
3:15 p.m. – 3:45 p.m.	<b>Full Group: Breakout Session Report Out &amp; Closing</b> <i>Facilitators will provide a brief synopsis of topics discussed, key current initiatives, and needs identified by breakout participants. We will also briefly look forward to the next State Summit session.</i>

*The State Summit on Water Reuse is hosted by the Association of Clean Water Administrators (ACWA), the Association of State Drinking Water Administrators (ASDWA), the Association of State and Territorial Health Officials (ASTHO), the Environmental Council of States (ECOS), and the Ground Water Protection Council (GWPC), in collaboration with the Environmental Protection Agency (EPA) and the WaterReuse Association (WaterReuse) as part of Action 2.2.2 (Enhance State Collaboration on Water Reuse) under the National Water Reuse Action Plan.*

Summit Day 2 – September 10 <sup>th</sup>	
Time	Session/Topic
1:00 p.m. – 1:15 p.m.	<b>Welcome &amp; Introduction</b>
1:15 p.m. – 1:50 p.m.	<b>Full Group: Considering State Program Approaches to Regulating Water Reuse</b> <i>Representatives from several states will give an overview of their current approaches, drivers, challenges, and/or plans for regulating water reuse. There will be some time for Q&amp;A and participant contributions.</i>
1:50 p.m. – 2:00 p.m.	Break/Transition to Breakout Sessions
2:00 p.m. – 3:00 p.m.	<b>Breakout A: Effective Public Health Communications in the Reuse Context</b> <b>Breakout B: Fit-for-Purpose Specifications (including an update on WRAP Action 2.3.1)</b> <i>During the breakouts, representatives from several states and/or the EPA will share perspectives related to the breakout topic to start discussion. There will be some Q&amp;A time and an opportunity for interactive audience input on current challenges/needs and best practices/current initiatives related to the topic.</i>
3:00 p.m. – 3:15 p.m.	Break/Transition to Full Group Report Out
3:15 p.m. – 3:45 p.m.	<b>Full Group: Breakout Session Report Out &amp; Closing</b> <i>Facilitators will provide a brief synopsis of topics discussed, key current initiatives, and needs identified by breakout participants. We will also briefly look forward to the next State Summit session.</i>
