JOIN US!

ARE YOU??

- 14-24 years old?
- A local high school or college student, or a community leader and motivated to make a difference?
- Interested in a paid civic engagement and leadership development opportunity to support the Denver community and our environment?

ABOUT US!!

In partnership with El Laboratorio (a leading Latino-run environmental organization), Lincoln Hills Cares is looking for 10 local youth to learn about and work toward making the South Platte River a fishable and swimmable environmental and recreational resource for the North Denver communities of Globeville and Elyria-Swansea (GES).

Projects may include but will not be limited to:

- Providing recommendations in the development of a Citizen Science Project to be implemented with local families next year (in 2021).
- Identifying, designing, and implementing ecological restoration projects for the South Platte River.
- Co-creating public art for the South Platte River.
- Presenting findings to public and private decision makers.

Compensation and commitment:

- Youth will be paid \$14-18 per hour for six weeks.
- Youth will work 20 hours per week during the program period.
- This project will run from July 6 to August 14, 2020.
- Strict COVID-19 health and safety protocols and procedures will be in place for this summer work experience.

Interested? Please send a cover letter and resume (we can help if needed!) and any questions you and your family may have to Shane Wright at shane@lhcares.org. Visit www.lincolnhillscares.org/about for more information.
