

Summary of Input from State, Territory, and Tribal Partners for OITA FY 2022-2023 National Program Guidance

Process for Soliciting Early Input

Name of Organization	Venue	Date
EPA Region 6 Regional Tribal Operations Committee meeting	Teleconference	7/22/2020
EPA Region 10 Regional Tribal Operations Committee meeting	Teleconference	8/4/2020
EPA Region 8 Regional Tribal Operations Committee meeting	Teleconference	8/7/2020
EPA Region 9 Regional Tribal Operations Committee meeting	Teleconference	8/12/2020
National Tribal Caucus	EPA-NTC monthly teleconference	9/2/2020

Highlights of Early Input from States, Tribes and Associations

- NTC member requested that NTC review NPG prior to draft being released.
- NTC member expressed displeasure with the lack of person-to-person consultation (general comment not specific to NPG process).
- General impression is that tribes will wait until after reviewing drafts and the consultation period opens for any specific input.

Next Steps

- OITA looks forward to working with tribes during the tribal consultation period.
