

AGENDA

Winter RTOC Breakout Session: Solid Waste Workgroup

Welcome & Announcements: (5 minutes)

Crowdsourcing (5 minutes): You are welcome to share any tips, questions, or activities with the group

Report on Solid Waste Workgroup Comments on the National Recycling Strategy (15 minutes):

- Acknowledging workgroup efforts
- Providing comments on other tribal comments nationally
- Next steps on National Strategy development
- Recycling at R9 tribes: what is your current experience?

Abandoned Automobiles & RVs on tribal lands (20 minutes):

EPA plans to develop a training for the spring which we'll describe. We hope to get your input to make it as useful as possible.

- What should be included?
- What are your needs and experiences with abandoned vehicles?
- Would you like us to share your tribe's story?

Composting on tribal lands (15 minutes):

- Are any tribes pursuing composting at present?
- What are your activities?
- Do you have future plans?
- Do you have needs for assistance or training?

Wrap-up (5 minutes)
