FADE IN: A MALE TODDLER sings his "ABC Song" in class.

MALE TODDLER (under V.O.): A, B, C, D, E, F, G...

ANNOUNCER (V.O.): If your home or apartment was built before 1978, renovations can spread lead paint dust that can cause children six and under to grow up with behavior issues and even severe learning disabilities.

MALE TODDLER: L,M,N,O,P...

ANNOUNCER (V.O.): That's why if you're having work done, the EPA now requires that your contractor be Lead-Safe Certified. Don't let lead paint take away your child's future before it even begins.

MALE TODDLER: Now I know my ABC's...

ANNOUNCER (V.O.): For a Lead-Safe Certified contractor in your area, visit [WWW dot EPA dot gov](http://WWW.EPA.GOV) forward slash get lead safe or call 1-800-424-LEAD.
