Michele, I can't make any reservations until the Administrator is put in the system. He should be in by Monday. I will reserve on Monday. I will have to do a cost comparison of Tulsa to Scottsdale vs. DCA to Scottsdale, if higher from Tulsa he will have to pay the difference. We will talk on Monday, we have time.

Are you allowed to book his flight from his home city? If so, then please book the Southwest at 9:05 a.m. to 10:45 a.m.

The Administrator's speech is at 3:15 so none of the flights in the afternoon to DC will work. He probably couldn't make it to the airport until 5:00 or 5:30 p.m. Could you see what the options are?

Thank you for being so easy to work with!

Gail

Can we get flight options from DC to Houston on Wed, March 8 starting at 4:00pm?

Also here is the link for the hotel where the event is being held as well as a list of alternative hotels if sold out.

He is scheduled to depart Dallas for Tulsa Thursday evening at 9:40 p.m.

Next week he will travel to Dallas late Wednesday afternoon. He will have meetings beginning at 9:00 a.m. on Thursday with his speech at 1:00. I anticipate that he will want to depart for Tulsa soon after his speech.

Hi, Jane, we met with the Administrator this morning and he is good to go on flipping the schedule. He would like to depart for Rome either on the evening of June 4 or early morning of June 5. His return would be following the last day of the G7 on June 12. I'm copying Gail Davis to begin exploring flight options for the group. Once we have it nailed down, I will let his family know so that they can make their travel plans.

Syd and Samantha, please respond if I have misinterpreted our conversation this morning.

Samantha/Michelle,

We learned today that Minister Galletti will be traveling to China right after the G7 Environment Ministers meeting, but would be available to meet with the Administrator before the G7 meeting.

We could flip the schedule and go to Rome first, then go to Bologna which would mean:

- Monday, June 5 - Depart DC in late afternoon
- Tuesday, June 6 - Arrive Rome in morning
- Wednesday, June 7 - Vatican meetings
- Thursday, June 8 - Embassy/Industry meetings
- Friday, June 9 - Minister Galletti meeting, Food Waste and Green Sports events
- Saturday, June 10 - Fly to Bologna late afternoon/evening
- Sunday, June 11 - G7 meetings
- Monday, June 12 - G7 meetings
- Tuesday, June 13 - Return to DC

Hi Millan, we have the additional flight options for Houston. However, I held off for clarification from you regarding your question – “Do we have anything leaving later in the day from DC getting him to Houston around 12?” Can you clarify the DC to IAH departure?

- Do you need first thing in the morning departing DCA arriving IAH by noon or,
- Depart DCA mid/late afternoon arrive IAH before midnight 12?

Thank you.

Millan –

I re-checked all the prices with another BCD agent for the flights options in the earlier message. The fares are incorrect. The agent I talked to earlier had given me the upsell prices.

The true Business Class price for both AA flights are: \$1,659.20 and for the three Delta Flights, the true First Class fare is \$1,047.

What is the fare for the 815 please?

The cost comparison should be done only against travel into Orlando from DC on Monday morning in time for a 12PM arrival. We don't need one from Tulsa.

Thank you,

Gail/Juanita,

In the morning, could we please get morning flight options going to Orlando from DC on Sunday, November 26th for the Administrator?

I know will need to do a cost comparison against flying in Monday morning.

Thank you very much,

Morning All,

1. The best flight option from DC to Rabat;

9 Dec (DL offers the contract fare) –

6:35 pm Depart IAD
0800-1025 connect CDG (Paris), 10 Dec
12:15 arrive RBA
Total travel time: 12+ hrs

Coach fare: 1652.30
Business: 7779.30

NOTE: Departure from DCA and BWI, 12:15 is the earliest arrival option as well and includes 2 layovers with an increased travel time at least 20+ hrs.

2. The best flight option from Marrakech to DC. Will need to depart the night prior to arrive by mid-afternoon on Dec 14.

13 Dec (no contracts for this market segment) -

6pm Depart RAK; Qatar Airlines

04:45-08:20 connect DOH (Qatar), 14 Dec (partner AA)

2:50pm arrive IAD

Qatar Coach fare: 971.35 (1st segment)

Qatar Business/First equiv: 2433.35 (1st segment)

AA Coach fare: 996.61 (2d segment)

AA First Class fare: 3886.61 (2d segment)

NOTE: This is the only flight available that will arrive back to DC by mid-afternoon. There are no flights departing on 14 Dec that would arrive the same day.

3. Millan and Forrest, regarding airfare from Rabat to Marrakech, BCD does not have flights offered between the two locations.

Subject: Morocco Travel

Gail,

Good morning to you. As we continue to work on the Morocco trip, I'd like to go ahead and work on reserving flights, please.

Administrator:

December 9 or 10: Fly from DC – Rabat, Morocco

December 14: Arrive back into DCA by midafternoon (flight would be from Marrakech to DC)

Delegation will consist of Ryan Jackson, Lincoln Ferguson, Samantha Dravis, and one press person. Sarah Greenwalt will travel out there as well but she will already be overseas for a separate conference. She will fly back to DC with the delegation. I will leave it to you to alert their travel preparers when you deem appropriate.

Advance (Forrest and Millan):

We will need to be on the ground in Rabat at some time on December 4. We will fly back on December 14 with the rest of the delegation.

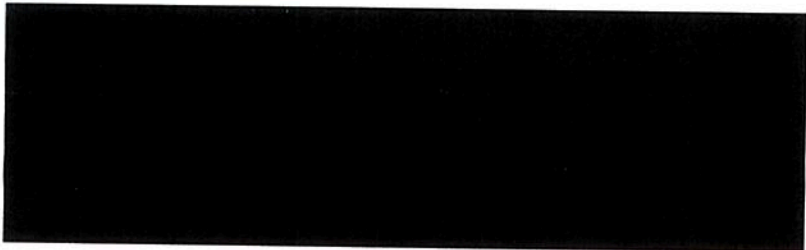

At some point during the trip, we will make our way to Marrakech, could we please look at flights from Rabat to Marrakech? Most folks suggest we drive but it appears to be three hours so I'd like to please see flight options should they exist.

Hotels – just for awareness, as I know it will be the Embassy that handles this, we are looking at Hotel Sofitel in Rabat. Unsure about Marrakech.

Thank you so much.

Advice to Passengers**Transportation of Hazardous Materials**

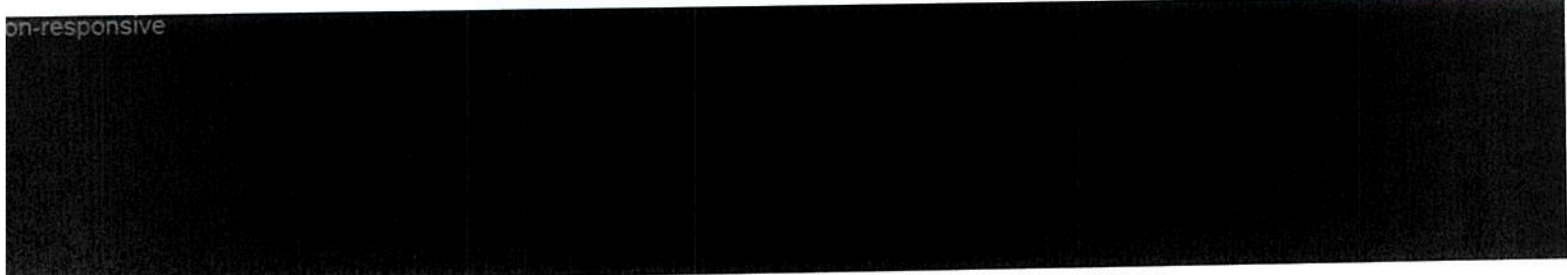

Federal law forbids the carriage of hazardous material aboard the aircraft, in your luggage, or on your person. A violation can result in 5 years imprisonment and penalties of \$250,000 or more (49 U.S.C 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials.

Forbidden Dangerous Items Examples:

Paints, lighter fluid, fireworks, tear gases, oxygen bottles and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information, contact your airline representative.

Note: Spare batteries and fuel cells are not permitted in checked or hold baggage. These items MUST be packed in carry-on baggage. If your carry-on bag is gate checked, the spare batteries and fuel cells must be removed and carried in the cabin.

Yes the 8:30 is the earliest flight out on American. No worries, we can wait.

Thank you Gail!

My guess is that the American flight leaving DC at 830 will end up being the best. Is that the earliest we could get there?

The flight from Pittsburg to Tulsa leaving at 6:59 will also probably be the one we want to take.

I will aim to have confirmation by COB.

Advice to Passengers

Transportation of Hazardous Materials

Federal law forbids the carriage of hazardous material aboard the aircraft, in your luggage, or on your person. A violation can result in 5 years imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials.

Forbidden Dangerous Items Examples:

Paints, lighter fluid, fireworks, tear gases, oxygen bottles and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information, contact your airline representative.

Note: Spare batteries and fuel cells are not permitted in checked or hold baggage. These items MUST be packed in carry-on baggage. If your carry-on bag is gate checked, the spare batteries and fuel cells must be removed and carried in the cabin.

Advice to Passengers

Transportation of Hazardous Materials

Federal law forbids the carriage of hazardous material aboard the aircraft, in your luggage, or on your person. A violation can result in 5 years imprisonment and penalties of \$250,000 or more (49 U.S.C 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials.

Forbidden Dangerous Items Examples:

Paints, lighter fluid, fireworks, tear gases, oxygen bottles and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information, contact your airline representative.

Note: Spare batteries and fuel cells are not permitted in checked or hold baggage. These items MUST be packed in carry-on baggage. If your carry-on bag is gate checked, the spare batteries and fuel cells must be removed and carried in the cabin.

Wednesday, August 2nd, 2017

- The Administrator plans to meet with Indiana State Governor Eric Holcomb, along with other state officials. The Administrator will also tour a farm that was affected by the WOTUS ruling as well as a mine.

Thursday, August 3rd, 2017

- The Administrator will conduct meetings and a tour at a coal production facility. In addition, he will visit a ranch to discuss WOTUS with local farmers.

Friday, August 4th, 2017

- The Administrator will travel to Gold King Mine and tour the site with Governor Hickenlooper and other state officials. He will then conduct meetings with the state officials concluding the tour. He will then finish up the trip with a meeting in Denver.

Advice to Passengers**Transportation of Hazardous Materials**

Federal law forbids the carriage of hazardous material aboard the aircraft in your luggage or on your person. A violation can result in 5 years imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials.

Forbidden Dangerous Items Examples:

Flammable liquid, fireworks, tear gases, oxygen bottles and radiopharmaceuticals. There are special exceptions for small quantities of up to 10 ounces total of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information, contact your airline representative.

Note: Spare batteries and fuel cells are not permitted in checked or hold baggage. These items MUST be packed in carry-on baggage. If your carry-on bag is gate checked, the spare batteries and fuel cells must be removed and carried in the cabin.

Subject: Ticket Refund Notification for PRUITT, EDWARD'S - Record Locator: N3HLMG

Record locator: N3HLMG

PRUITT, EDWARD'S,

The following airline ticket(s) have been submitted to the airline(s) for credit:

Ticket 0168610471431 on United Airlines in the amount of 964.40 on August 07, 2017.

Please allow 4-6 weeks for processing. All refunds are subject to airline audit. Credit will be applied to the original form of payment.

Please note that if a separate transaction fee was assessed for your ticket(s), that amount is not included in the refund request; it will require submission on your expense report. If transaction fees are billed centrally for your corporation, then no action is required.

Should you have additional questions or concerns, please contact your BCD Travel Department.

We appreciate your business.

Advice to Passengers**Transportation of Hazardous Materials**

Federal law forbids the carriage of hazardous material aboard the aircraft, in your luggage, or on your person. A violation can result in 5 years imprisonment and penalties of \$250,000 or more (49 U.S.C 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials.

Forbidden Dangerous Items Examples:

Paints, lighter fluid, fireworks, tear gases, oxygen bottles and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information, contact your airline representative.

Note: Spare batteries and fuel cells are not permitted in checked or hold baggage. These items MUST be packed in carry-on baggage. If your carry-on bag is gate checked, the spare batteries and fuel cells must be removed and carried in the cabin.

Gail/Juanita,

The Administrator has been called to the White house on Thursday, the 26th for a 2PM event. He likely will not leave until 3PM.

Could we please pull new flight options from DCA?

Thank you so much.

Advice to Passengers

Transportation of Hazardous Materials

Federal law forbids the carriage of hazardous material aboard the aircraft, in your luggage, or on your person. A violation can result in 5 years imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials.

Forbidden Dangerous Items Examples:

Paints, lighter fluid, fireworks, tear gases, oxygen bottles and radiopharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information, contact your airline representative.

Note: Spare batteries and fuel cells are not permitted in checked or hold baggage. These items **MUST** be packed in carry-on baggage. If your carry-on bag is gate checked, the spare batteries and fuel cells must be removed and carried in the cabin.
