Audience Polling

How's My Waterway: Telling the Water Story
Kiki Schneider, US EPA Office of Water
Dwane Young, US EPA Office of Water

Pulling the Pieces Together: Telling the Water Story

HMW:

- Provides the public with usable, meaningful information.

- Communicates progress states, tribes, and EPA are making towards restoring or protecting water quality.

- Engages the public in understanding impacts on water and issues related to water.

How's My Waterway

- All information is based on a service.
- Tells the story at multiple levels (National, State, Community).
- Integrates data across systems.
- Allows for in-depth stories in addition to interactive content.

Speakers

- **Kiki Schneider**, IT Specialist, Water Data Integration Branch
