

Standardized Parent Company Names for TRI Reporting

This alphabetized list of TRI Reporting Year (RY) 2010 Parent Company names is provided here as a reference for facilities filing their RY 2011 reports using paper forms. For RY2011, the Agency is emphasizing the importance of accurate names for Parent Companies. Your facility may or may not have a Parent Company. Also, if you do have a Parent Company, please note that it is not necessarily listed here.

Instructions

Search for your standardized company name by pressing the CTRL+F keys. If your Parent Company is on this list, please write the name exactly as spelled and abbreviated here in Section 5.1 of the appropriate TRI Reporting Form. If your Parent Company is not on this list, please clearly write out the name of your parent company. In either case, please use ALL CAPITAL letters and DO NOT use periods.

Please consult the most recent TRI Reporting Forms and Instructions (<http://www.epa.gov/tri/report/index.htm>) if you need additional information on reporting for reporting Parent Company names.

**Find your standardized company name on the alphabetical list below,
