

Growing Grassroots: Building Capacity for Environmental Justice Work

We invite you to attend the fourth of five webinars created to forge collaborative relationships to benefit communities and promote accessing funding. You will learn:

- ◆ Practical tips on successful grant-writing, and
- ◆ How to access community-based funding (i.e., federal & state grants, foundations, other community-based funding sources).

Topic: Accessing Funding for Communities September 23, 2021 | 6:00 - 8:00 p.m. EST

To join the webinar, register in advance using the link below:
