MPG – 1 \$72,220

Radon – 1 \$270,000

DERA – 2 \$589,249

IRA CAA - 6 \$407,219

National:

not able to give any dollar amounts – EPA does not capture that in OTS Lite. The numbers for 103 & 105 grants across all 10 regions are:

103 – 55

105 – 56

There are 12 Tribes and 1 Tribal Coalition with open Exchange Network grants in Region 9.

The total awarded amount is \$3,254,709.56.

TRONX Multi Sites	\$170,568.00
NAUM Multi Sites	\$154,247.00
Haystack	\$15,733.00
King Mine	\$1,500,000.00

Total \$1,840,548.00

## Brownfields Potential Funding:

### Actual Budget

- \$130 M for the Brownfields program
- This translates to increases in grant awards amounts
- In FY23, tribes will receive \$4,039,447 in Tribal Response grants
- FY23 awards for competitive programs to be announced in May 2023

### Bipartisan Infrastructure Law

- \$1.5 B in Brownfields Funding over 5 years (\$300 M / year)
- \$240 M per year for competitive grants as well as Targeted Brownfields Assessments  
\$60 M per year to enhance state and Tribe voluntary clean-up programs under a non-competitive allocation process

## Underground Storage Tanks:

### In FY23:

- OUST had \$323,400 EPM, \$1,192,500 F Prevention, and \$1,981,000 F Clean-up to allocate across all Regions.
- Region 9 received \$290,000 of contract funding to clean-up releases, also carrying over \$869,614 in prior year funding for Navajo Nation cooperative agreements.
