## Key Notes

1. The organization ID in CDX must match amongst the appropriate people that you work with. It is very important that the organization of the DR, ADR, and agents/consultants is the same. **Keep track of your organization ID(s)**. You can find your CDX organization ID(s) on your [CDX Profile](#) page.
2. When registering in CDX Test for testing in the ECMPS Beta environment, it is very important that you **use the same email address that is in CAMDBS production**. If your email address is different, please update you email address in <https://camd.epa.gov/CBS/login/auth> before you register.
3. Ensure you have **appropriate access in CAMDBS production** (<https://camd.epa.gov/CBS/login/auth>) i.e., a preparer for units assigned by your DR or ADR.
4. Please notify everyone in your network to update their email address to the latest in CAMDBS production (<https://camd.epa.gov/CBS/login/auth>).
5. If you are a consultant and not an agent in the current CBS, you will need to work with the DR, ADR, or EPA staff to get you assigned as an agent to the appropriate plants.

## Setting up CDX Organization, CDX Roles, and CBS/ECMPS Responsibilities

### New Organization in CDX:

If you and your group are new to CDX, the DR of a plant will need to request access for a role called “Initial Authorizer.” This role is essentially the same as the Sponsor role but will kick-start the process of getting a group/organization started in CDX. For Beta purposes, you can create a “John/Jane Doe” account to act as the DR if your DR does not want to participate in Beta. Follow [Becoming an Initial Authorizer](#) for more.

### The Sponsor/Initial Authorizer Role and Pre-registering:

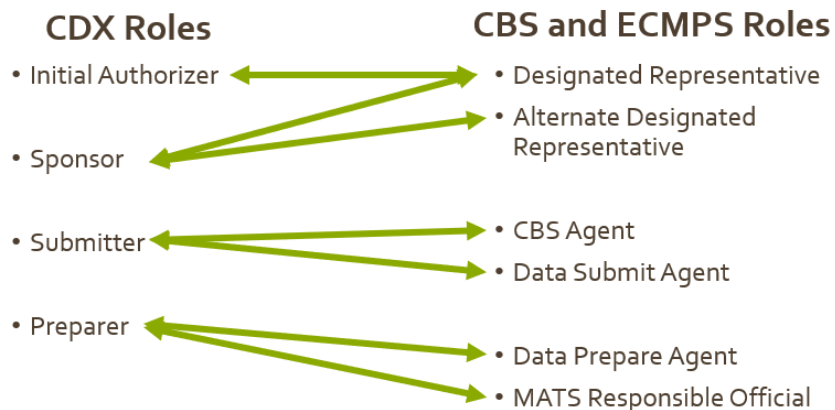

Sponsors and Initial Authorizer are similar as they can both sponsor other sponsors, preparers, and submitters. They can do this through a pre-registration process. Follow [The Sponsor/Initial Authorizer Role and Pre-registering Another User](#) for more.

### Account Set Up Not Using the Pre-registration Process:

Sponsors, preparers, and submitters can also set up their account not using the pre-registration process; however, you still need to be sponsored by a Sponsor or an Initial Authorizer. We recommend the pre-registration process. Follow [Creating an Account Not Using Pre-registration](#) for more.

The image below describes the CDX roles and the relationship with CBS/ECMPS roles.

### How do CDX and CBS/ECMPS roles relate?

## Becoming an Initial Authorizer

### Step 1: Email [cbs-testing@camdsupport.com](mailto:cbs-testing@camdsupport.com) to Request the CDX Role

To get registered with the “Initial Authorizer” CDX role, you will need to send an email to [cbs-testing@camdsupport.com](mailto:cbs-testing@camdsupport.com) with your first name, last name, and email with subject line “EASEY Beta – Requesting Initial Authorizer Role in CDX Test”.

### Step 2: Starting the Registration Process

In the email you provided, you will get an email like below. Click on the link to start the registration process.

A Customer Retrieval Key (CRK) has been created for you to complete the registration process of adding a program service utilizing the EPA's Central Data Exchange (CDX). In order to complete your registration and begin using the program service, you will need to confirm your account by clicking the hyperlink below and successfully logging in. You have the option of using an existing CDX account and entering your User ID and Password or by creating a new CDX account.

[https://test.epacdx.net/PreRegistration?CRK-\[REDACTED\]](https://test.epacdx.net/PreRegistration?CRK-[REDACTED])

Once you have successfully logged into your account, you may be required to provide additional information to complete the process before you are able to access the Program Service.

Please do not respond to this message. If you have questions concerning this message, you may contact CDX Help Desk by email at [helpdesk@epacdx.net](mailto:helpdesk@epacdx.net) or by calling the CDX Technical Support Staff through our toll free telephone support on 888-890-1995, Monday through Friday from 8:00 am to 6:00 pm ET. For International callers, the CDX Help Desk can also be reached at (970) 494-5500 or you may contact the CDX Helpdesk <https://test.epacdx.net/Chat>. The CDX Helpdesk Chat service is available during our regular open hours of Monday through Friday, 8:00am to 6:00pm EST/EDT.

# The Sponsor/Initial Authorizer Role and Pre-registering Another User

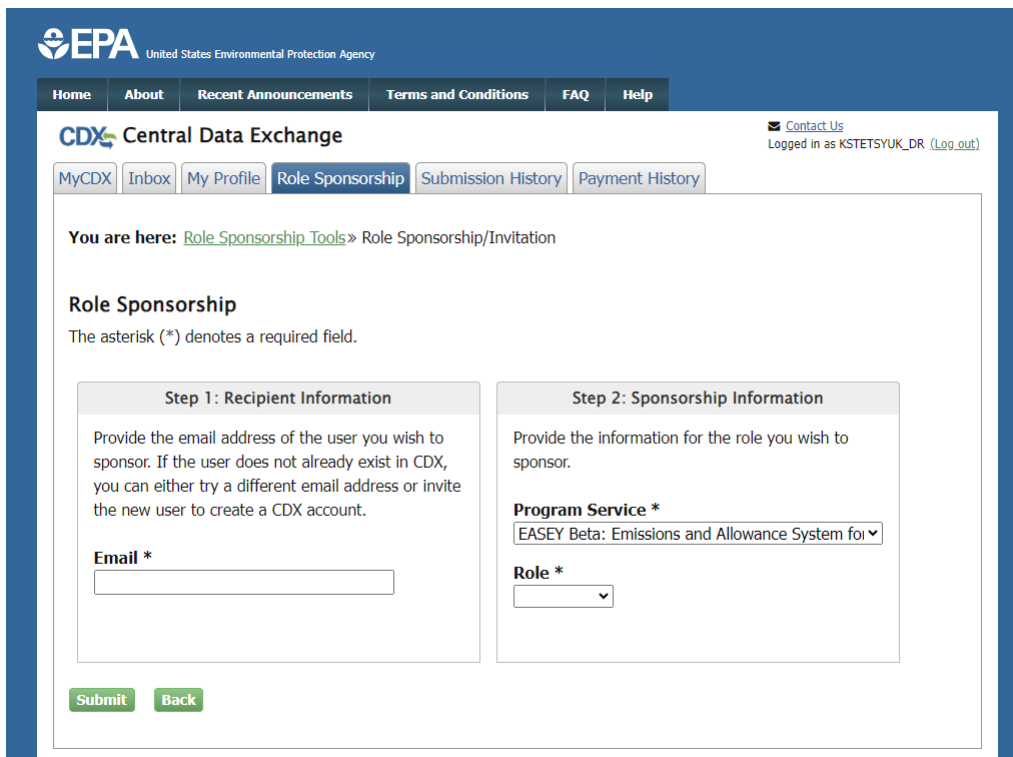

## Step 1: Start Role Sponsorship

As a Sponsor or Initial Authorizer, you will have a “Role Sponsorship” tab on your CDX account. Click on “Role Sponsorship/Invitation.”

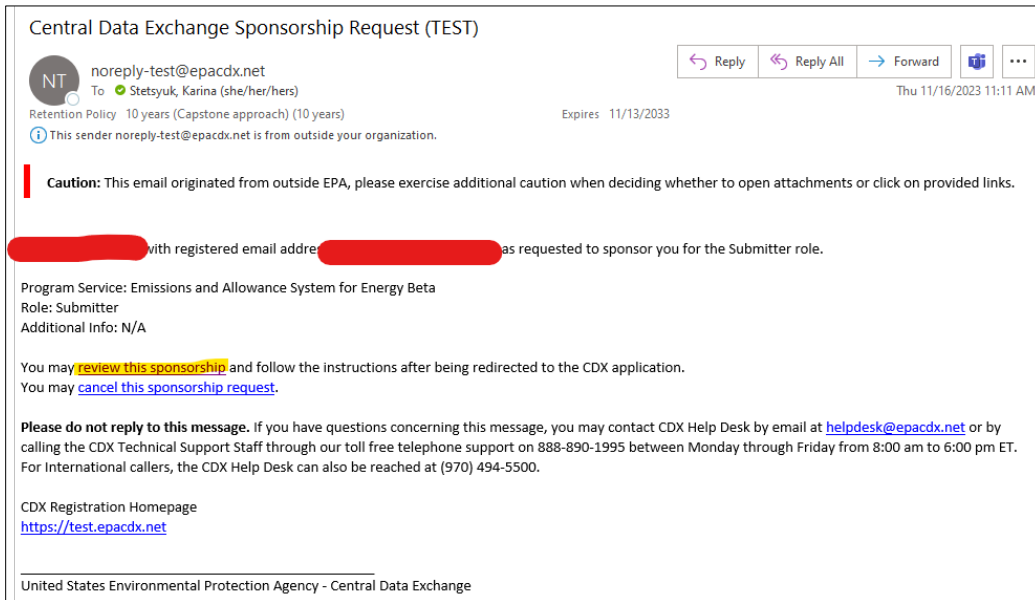

## Step 2: Provide an Email and Role

Provide the email of who you want to sponsor. **Make sure they are using the same email they use in production CBS.**

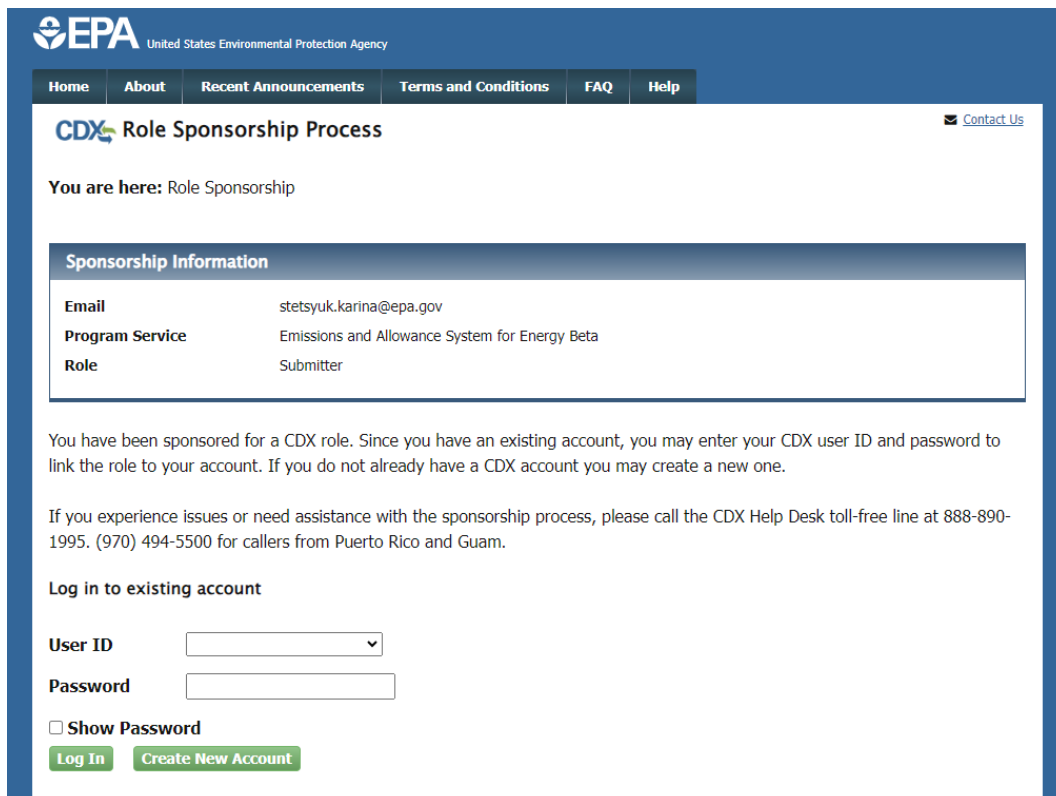

### Step 3: Have the Sponsored Person Accept the Request

The sponsored person will need to click on “review this sponsorship” when they receive a notification in their email.

### Step 4: The Sponsored Person Creates and New Account or Adds to an Existing Account

If you have an existing account registered with the same email in CBS production, you can log in and accept the invitation. If not click on “Create New Account.”

## Step 5: Accept the Role

Step 9: Log into <https://cbsprodbeta.epa.gov/CBS> to Link your CDX Test Account

The sponsored person should log into CBS Beta to properly link their CDX Test account in our system. You may need to wait a few minutes after you register in CDX to try logging into CBS Beta. Make sure you have the appropriate access to the plants that you access to in production. If you do not see the plants that you are responsible for, please send an email to [cbs-testing@camdsupport.com](mailto:cbs-testing@camdsupport.com).

The screenshot displays the CAMD Business System interface. At the top left, a warning banner reads "EPA Beta Environment" with a sub-message: "The content on this page is not production data and this site is being used for development and/or testing purposes only." The header includes the "CAMD Business System" logo (Clean Air Markets Division) and a navigation menu with "Help", "Definitions", and "Contact Us".

The main content area is split into two columns. The left column contains a "LOG IN" section with the following elements:

- User Name\***: A text input field with the placeholder "Enter your user name" and a user icon.
- Password\***: A text input field with the placeholder "Enter your password" and a lock icon.
- Log In**: A blue button.
- [Create a CDX Account](#)
- [Forgot Username?](#)
- [Forgot Password?](#)
- [How do I obtain CBS access?](#)

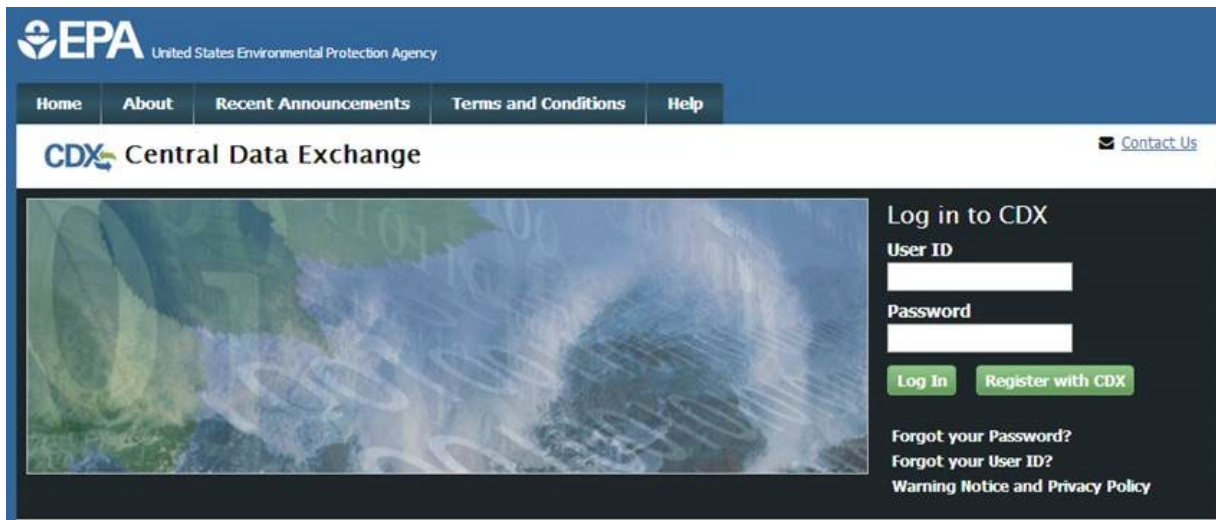

The right column features a news alert with an orange header: "Good Neighbor Plan for 2015 Ozone NAAQS". The text of the alert states: "On March 15, 2023, the Administrator signed the final Good Neighbor Plan for the 2015 Ozone NAAQS. More information on the [final rule is available on EPA's website](#)." Below this, a paragraph explains that when considering the purchase or sale of CSAPR NOx Ozone Season Group 2 or Group 3 allowances, prospective buyers and sellers should be aware that the outcome of any rulemaking process to address states' good neighbor obligations with respect to the 2015 ozone NAAQS may affect the compliance usability or monetary value of such allowances. EPA's continued implementation of the existing trading program regulations does not guarantee or imply that any existing or newly issued CSAPR NOx Ozone Season Group 2 or Group 3 allowances will continue to have the same compliance usability or monetary value in the future under any new or revised trading program regulations.

At the bottom of the page, a blue bar contains the text: "For Assistance with CBS".

## Creating an Account Not Using Pre-registration

Step 1: Go to <https://test.epacdx.net/> and Register

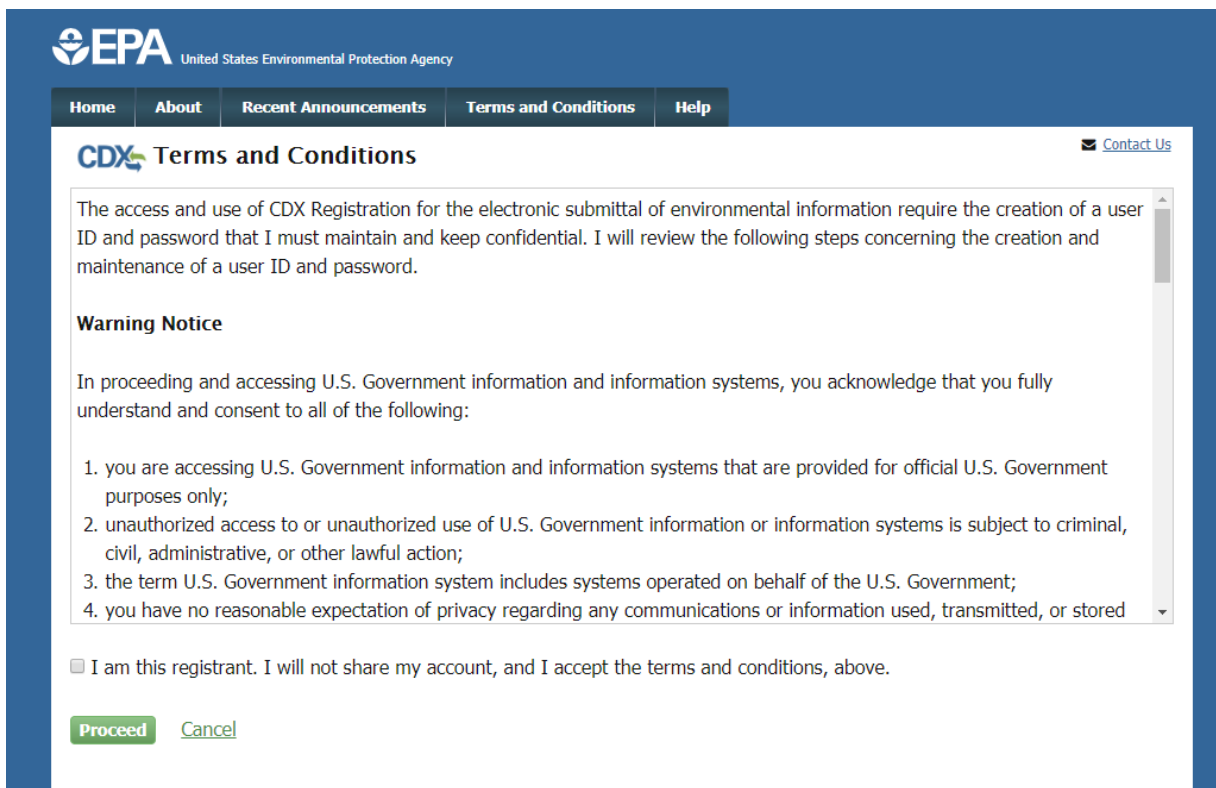

On the CDX test homepage click the “Register with CDX” button to start the registration process.

The screenshot shows the EPA logo and navigation menu at the top. Below the navigation menu is the CDX Central Data Exchange header. The main content area features a large image of a globe on the left and a login/register form on the right. The form includes fields for User ID and Password, a Log In button, and a Register with CDX button. There are also links for 'Forgot your Password?', 'Forgot your User ID?', and 'Warning Notice and Privacy Policy'.

Step 2: Accept Terms and Conditions

By accepting the terms and conditions you agree to abide by the system requirements and the system will allow you to access CDX.

The screenshot shows the EPA logo and navigation menu at the top. Below the navigation menu is the CDX Terms and Conditions header. The main content area contains a scrollable text box with the following text:

The access and use of CDX Registration for the electronic submittal of environmental information require the creation of a user ID and password that I must maintain and keep confidential. I will review the following steps concerning the creation and maintenance of a user ID and password.

**Warning Notice**

In proceeding and accessing U.S. Government information and information systems, you acknowledge that you fully understand and consent to all of the following:

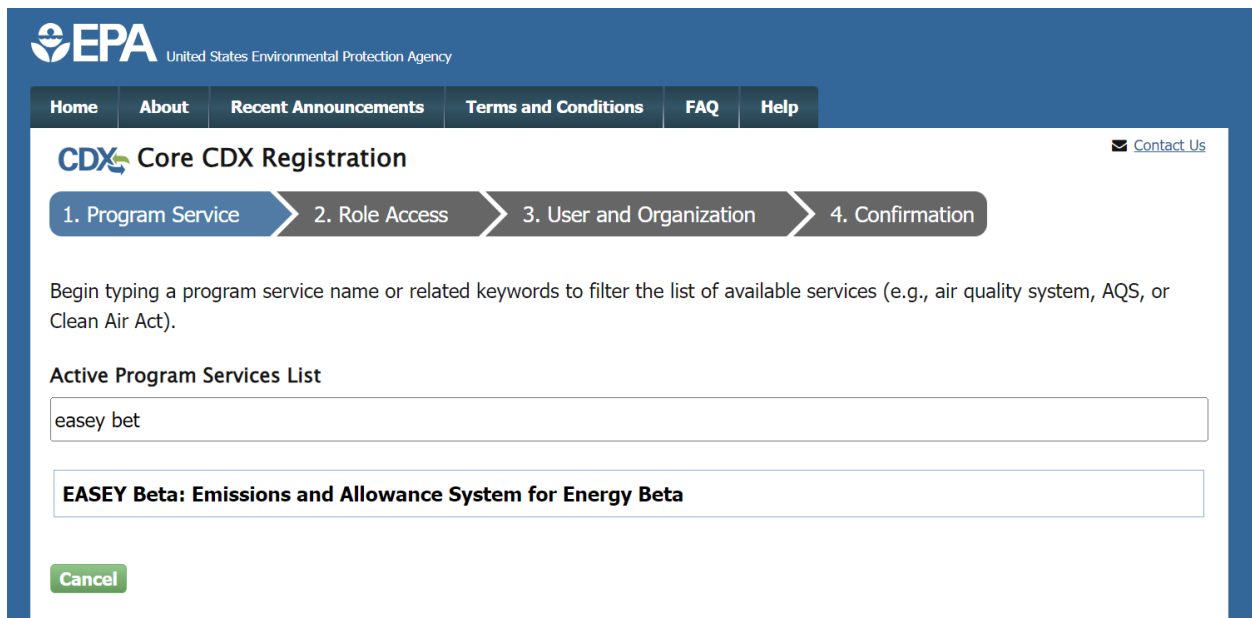

1. you are accessing U.S. Government information and information systems that are provided for official U.S. Government purposes only;
2. unauthorized access to or unauthorized use of U.S. Government information or information systems is subject to criminal, civil, administrative, or other lawful action;
3. the term U.S. Government information system includes systems operated on behalf of the U.S. Government;
4. you have no reasonable expectation of privacy regarding any communications or information used, transmitted, or stored

### Step 3: Select a Program Service – EASEY Beta

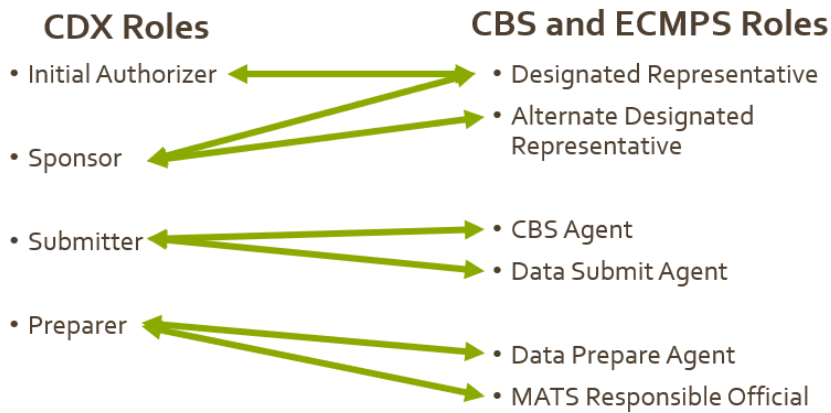

To select a program service, type the flow name or descriptor to filter the results or select from the full list. Type and select EASEY Beta.

### Step 4: Provide Role and Additional Information

Select the role that is appropriate to you. Use this chart.

#### How do CDX and CBS/ECMPS roles relate?

The screenshot shows the EPA Core CDX Registration interface. At the top, the EPA logo and navigation menu are visible. The main heading is "CDX Core CDX Registration" with a "Contact Us" link. A progress bar indicates four steps: 1. Program Service (checked), 2. Role Access (current step), 3. User and Organization, and 4. Confirmation. Below the progress bar, a "Registration Information" table shows:

<b>Program Service</b>	Emissions and Allowance System for Energy Beta
<b>Role</b>	Not selected

Below the table, a text prompt reads: "Select a role from the drop down list and provide any required additional information, if applicable." This is followed by a "Select Role" label and a dropdown menu. At the bottom, there are two buttons: "Request Role Access" and "Cancel".

### Step 5: Provide User Information

Enter a unique username, fill out the personal information, create a password, and answer three security questions.

The screenshot shows the EPA Core CDX Registration interface at Step 3: User and Organization. The progress bar now shows steps 1, 2, and 3 as completed. The "Registration Information" table is updated to show:

<b>Program Service</b>	3rd Party Validation Test Application
<b>Role</b>	Responsible Official

Below the table, a text prompt reads: "Please fill out all required fields marked with an asterisk(\*)". The main section is titled "Part 1: User Information" and contains the following text: "The program you are registering for requires additional proof of identity. Later in the registration process you will be given the option to use LexisNexis, an identity proofing service. LexisNexis will pull your first, middle and last name exactly as it is entered on this page." Below this text are several form fields:

- User ID \***: Text input field.
- Title \***: Dropdown menu with "Mr" selected.
- First Name \***: Text input field.
- Middle Initial**: Text input field.
- Last Name \***: Text input field.
- Suffix**: Dropdown menu with "None Selected" selected.

## Step 6: Provide Organization Information

Search for an existing organization (**please search by organization ID – the search on CDX is not the best**). If a matching organization is not found, create a new organization and **keep track of the organization ID**. Additionally **use the same email that you use in CBS production to avoid complications**.

## Step 9: Provide a Sponsor's Email

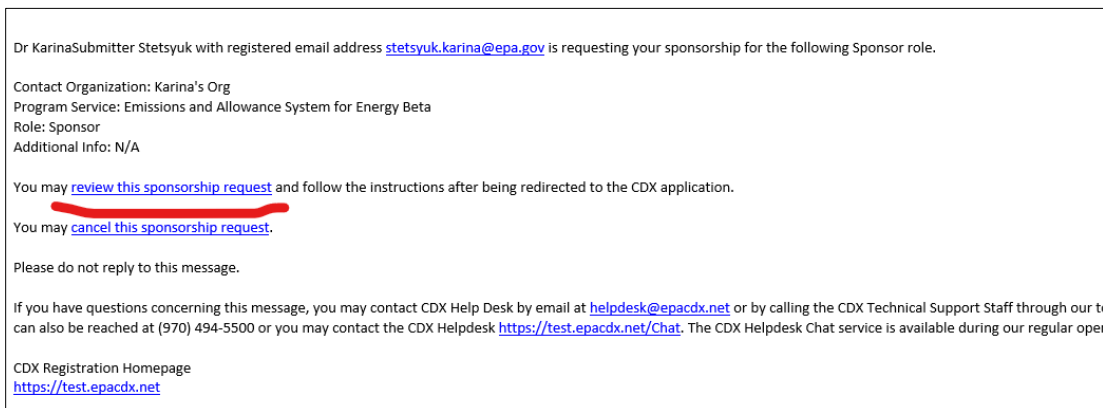

Someone in your organization with the "Initial Authorizer" or "Sponsor" role will need to sponsor you. Provide their organization email address here.

The screenshot shows the CDX Central Data Exchange interface. At the top, there is a navigation bar with links for Home, About, Recent Announcements, Terms and Conditions, FAQ, and Help. The main header displays the CDX logo and the text 'Central Data Exchange'. On the right, there is a 'Contact Us' link and a user status indicator: 'Logged in as KSTETSYUK-SUBMIT (Log out)'. Below the header, a breadcrumb trail reads 'You are here: MyCDX » Manage Program Services » Request Sponsorships'. The main content area is titled 'Role Sponsorship' and includes a note: 'The asterisk (\*) denotes a required field.' A section titled 'Sponsor Information' contains the text: 'This role request requires sponsorship. Please provide the email address of the user you wish to sponsor you.' Below this is a 'Note' explaining that the sponsor will review the user's profile and that new users can be invited. A form field labeled 'Email \*' is present with an empty input box. At the bottom of the form are 'Submit' and 'Cancel' buttons.

## Step 10: Sponsorship Process (done by the sponsor)

The sponsor will get an email and will need to click "review this sponsorship request" to approve.

The screenshot shows an email notification. The text reads: 'Dr KarinaSubmitter Stetsyuk with registered email address [stetsyuk.karina@epa.gov](mailto:stetsyuk.karina@epa.gov) is requesting your sponsorship for the following Sponsor role.' It lists the contact organization as 'Karina's Org', the program service as 'Emissions and Allowance System for Energy Beta', and the role as 'Sponsor'. It provides instructions to 'review this sponsorship request' (with the link underlined in red) and to 'cancel this sponsorship request'. It also includes contact information for the CDX Help Desk and the CDX Registration Homepage (<https://test.epacdx.net>).

They will arrive at the "Role Sponsorship Review" page after logging in and will need to follow the steps to approve.

The CAMD Business System logo (Clean Air Markets Division) and a factory icon are visible. On the right, there are links for Help, Definitions, and Contact Us. The main content area is split into two columns. The left column is a "LOGIN" box with fields for "User Name\*" and "Password\*", a "Log In" button, and links for "Create a CDX Account", "Forgot Username?", "Forgot Password?", and "How do I obtain CBS access?". The right column features a notification box with an orange header: "Good Neighbor Plan for 2015 Ozone NAAQS". The notification text states that on March 15, 2023, the Administrator signed the final Good Neighbor Plan for the 2015 Ozone NAAQS and provides information on the final rule available on EPA's website. Below the notification, there is a paragraph explaining that when considering the purchase or sale of CSAPR NOx Ozone Season Group 2 or Group 3 allowances, prospective buyers and sellers should be aware that the outcome of any rulemaking process to address states' good neighbor obligations may affect the compliance usability or monetary value of such allowances.
