If you have lower ranges, please let us know. We may be able to accommodate based on SRMs procured during the Calendar Year.			

**Note:**

Please remember to fill out and email the excel spreadsheet chain of custody form located on AMTIC to the RAVL contact and send in a copy of the producer certificate of analysis with the cylinder. Due to reduced analytical capacity we may not be able to schedule all requests. Assay capacity will increase when Region 4 becomes operational. Thanks!
