

*Rule 11. Regulation of Transporting and Material Handling in Open Air.*

*Rule 11.1.* No person shall cause or permit the handling, processing, transporting or storage of any material in the open air in a manner which allows or may allow particulate matter to become airborne which twenty percent (20%) opacity for more than three (3) minutes in any consecutive sixty (60) minute period, or more than twenty (20) minutes in any twenty four hour period.

*Rule 11.2.* No person shall cause or permit a building or its appurtenances, a road, a driveway, a parking area, or an open area to be constructed, used, repaired or demolished without applying all such reasonable measures as may be required to prevent particulate matter from becoming airborne. The director may require such reasonable measures as may be necessary to prevent particulate matter from becoming airborne including but not limited to paving or cleaning of roads, driveways and parking areas; by the application of dust-free surfaces; by the application of water; and by the planting and maintenance of vegetative ground cover.

*Rule 11.3.* No person shall transport any material in the open air in a manner which allows or may allow particulate matter to become airborne beyond the boundary line of the property of the person doing the transporting.
