

**SECTION 10.56.100: Board - Consideration of Facts and Circumstances**

In the exercise of its powers to prevent, abate and control air pollution, the Board shall give due consideration to such pertinent facts and circumstances, including, but not limited to:

- A. The character and degree of injury to, or interference with, the protection of the health, general welfare and physical property of the residents of the Metropolitan Government area;
- B. The social and economic value of the air pollutants source;
- C. The degree of detrimental effect of the air pollutants upon the achievement of the national ambient air quality standard for such pollutant;
- D. The technical practicability and economic reasonableness of reducing or eliminating the emission of such air pollutants;
- E. The suitability or unsuitability of the air pollution source to the area in which it is located; and
- F. The economic benefit gained by the air pollutants source through any failure to comply with the provisions of this Chapter and regulations adopted pursuant to this Chapter.
