

# Monitoring Initiative Funds

HQs receives funds

HQs provides draft funding information to Regions

States/Tribes/Interstates work with Regions to develop plans for Monitoring Initiative Part A and Part B

## Part A: Monitoring Enhancement Funding

States and Interstates work with Regional office to submit 1-2 page narrative description of monitoring activities and Part A Form

## Part B: Participation in National Survey

### Field/Lab Options

All of the field and lab work will be done by EPA contractors. Select APS or inkind services.

All of the field and lab work will be done by the state/tribe (or through state led agreements)

Some of the field and/or lab work will be done by the state/tribe (or through state led agreements), but not all of it. Select APS or inkind services

### Contractor Support Type

Associated Program Support (APS) for all contractor work
