

EPA Grants Fraud Awareness and Prevention Webinar, June 20, 2024 Frequently Asked Questions (FAQ)

- Q1: Will the slide deck be made available to attendees?
A1: Unfortunately, the slides will not be shared; however, this webinar will likely take place again in the Fall if you have colleagues that are interested in the content.
- Q2: Will a recording of the webinar be available on the EPA's website?
A2: Unfortunately, there will not be a recording of this webinar.
- Q3: How do you meet poster requirements with remote staff?
A3: You may distribute the poster to remote staff electronically.
- Q4: Where can we obtain the posters mentioned during the presentation?
A4: Materials from today's webinar are available on the [Fraud Prevention and Awareness webinar webpage](#).
- Q5: Do most investigations involve large programs? Most of our grants are \$500,000 or less.
A5: There is not a prescribed dollar amount for investigations, and the grant amounts vary.
- Q6: Is there a requirement for copies of documents, emails etc., when reporting a suspected violation?
A6: There is no requirement to provide copies of documents when reporting a suspected violation. Please provide all the information available to you.
- Q7: For first time recipients of grants, what general advice do you have to be in compliance?
A7: Ensure you are aware of all your responsibilities as a grantee by attending webinars, taking trainings, and reading all instructions provided to you.
- Q8: On large sites, where do you recommend posting the posters?
A8: We recommend locating posters near the other Federal required posters, such as required Occupational Safety and Health Administration or Equal Employment Opportunity posters.
