

Public Participation Plan Veolia Air Operating Permit Renewal

July 11, 2024

Goal

- The Public Participation Plan (PPP) is a roadmap to engage the community in the permit process.
- The PPP is based on community input with residents and stakeholders in mind.

The Plan

- This is a snapshot of what meaningful engagement throughout the permit process might look like.
- Dates and events are tentative.
- Details (e.g., event locations, times, topics covered, etc.) will be decided with the Community Engagement Workgroup.
