

REGION 6

DALLAS, TX 75270

September 17, 2024

Anthony, El Ojito and Vinton Acres Number 1 Colonia, NM Communities:

The Environmental Protection Agency (EPA) wants to engage with you! Are you curious about the NPDES Permitting process for wastewater discharges from the Gadsden Independent school district– NPDES Permit No. NM0028487? Do you want to learn more about efforts underway to protect water quality and the status of the re-issuance of this NPDES Permit? Please join us virtually for an early engagement meeting on September 24, 2024, from 5:30–6:30 p.m. Mountain Time. We want to hear from you.

Host: U.S. Environmental Protection Agency (EPA) – Region 6 NPDES Permitting and Wetlands Section.

Background: This event will feature discussions and public input on the re-issuance of the Gadsden Independent school district permit. The community discussion and Q&A will follow a short presentation by the EPA.

When: Wednesday, September 24, 2024, 5:30–6:30 p.m. Mountain Time

Format: Zoom - Virtual Meeting (virtual meeting will open 15 minutes early to allow time for participants to log in via Zoom). A Zoom link for the virtual meeting will be sent to all that register.

Registration deadline: September 23, 2024
