2.0 Proposed Testing Plan

The proposed testing plan, including pre-operational testing, is included in the Testing and Monitoring Plan document of this permit. That document is included in the Confidential Business Information folder.

A summary of the pre-operational testing plan is included in the Confidential Business Information folder as 0101_Proposed_Testing_Schedule.pdf.

A detailed schedule for testing will be provided to the permitting entity at least 30 days in advance of any testing activities.
