Dear Barbara McBride,

The United States Environmental Protection Agency, Region 9 (EPA), pursuant to 40 CFR §124.3(c), has conducted an administrative review of the subject permit application submitted by Calpine California CCUS Holdings, LLC for three proposed injection wells located in Sutter County, California. Following the review of your application, received on June 2, 2023, via the Geologic Sequestration Data Tool (GSDT), we determined the application is incomplete. Please see the list of additional information we require in the Enclosure to this letter.

Please submit the requested information by August 28, 2023. If you have any questions about this letter, please contact Elise Nord at (415) 972-3079, or call me at (415) 972-3971.

Sincerely,

David Albright Manager, Groundwater Protection Section
